TAKE A LOOK AT BENEFITS FOR PART-TIME ROLES

(hello employee ownership!)

Wellness

Our employees' health and wellness is a top priority. We offer extremely competitive benefits and perks to support employee overall well-being!

Balance

A healthy life combines fun, passion, challenge, and hard work. To be our best selves, we prioritize personal lives as much as being extraordinary at work. Finding meaning and fulfillment allows us to be at the top of our game!

Time Off

Making time for fun and family is one of our core values. At Clickstop, you are given generous, pre-loaded paid time off so you can use it right away.

Community Involvement

We are passionate about paying it forward. In addition to our Volunteer PTO, Clickstop Cares is our nonprofit dedicated to helping local families.

Retirement

Want to retire early? You'll need a solid retirement plan. Clickstop offers a 401K plan and Employee Stock Ownership Plan that help you do just that!
